News & Updates

Here at The Hazelwell, we're dedicated to enhancing the lives of our residents, and we're always looking for ways to improve our services. Following the wonderful feedback received during our December relatives' meeting, we've expanded our dedicated activities team to offer even more opportunities for residents to enjoy fulfilling, personalised experiences.

We have a new team member called Robyn who has joined our experienced Activities Co-ordinator, Kath, to bring fresh energy and creativity to our already packed wellbeing programme. This expansion means we can now dedicate twice the amount of time to a wide range of activities, ensuring even more choices for our residents.

Robyn has truly hit the ground running. She is a talented singer and has already delighted residents with impromptu afternoon performances, spreading joy and adding a personal touch to our community. Sharing her thoughts on joining the team, Robyn said:

"It is such a pleasure to join the activities team at The Hazelwell and to get to know all of the lovely residents who live here. They have all been very welcoming, and I feel like part of the community already."

Fun-Filled Activities 7 Days A Week

Cuppa & Chat

Our activities programme now runs seven days a week, offering an even wider variety of options for residents to enjoy. One of the newest additions, the Saturday "ChatterDay" club, has quickly become a firm favourite. Each week, residents choose a topic to explore, and the following Saturday, they come together to share their findings. In December, the group dived into the origins of Christmas traditions, learning the fascinating history behind carols and the custom of exchanging Christmas cards.

Festive Overview

Resounding Success!

Our residents experienced a delightful festive treat with a mesmerising Christmas pantomime that came to life right here in our care home. Joy filled the air as our talented actors presented a lively show that brought a smile to everyone's face. The vibrant costumes, engaging storyline, and the sheer enthusiasm of the performers truly captured the spirit of Christmas.

No Christmas celebration at The Hazelwell would be complete without the cheerful notes of music and the rhythm of dance. This year, we were graced by a marvellous entertainer who filled our home with joyous melodies and lively tunes, inspiring many of our residents to join in on the fun.

Staff Wellbeing Sessions

Relax & Rejuvenate

Wellbeing is a measure of health, satisfaction and happiness. When it comes to workplace wellbeing, this refers to the state of employees' mental and physical health resulting from dynamics within the workplace. This includes their relationships with colleagues, their workload, work environment and many other factors. Investing in the mental and physical health of employees will not only improve their quality of life, but will help to create a more engaged, motivated, and high-performing workforce. Thank you to Oceansage Therapies for providing our Staff Wellbeing Sessions...
