

INTRODUCTION

Message From Our Manager

As we move through the spring months, it has been lovely to see the home full of energy, conversation and activity. The brighter days have encouraged everyone to spend more time together, whether enjoying creative sessions indoors, relaxing in the garden or taking part in outings within the local community.

At The Hazelwell Care Home, we continue to focus on creating a warm, welcoming environment where residents feel comfortable, valued and supported every day. It is often the simple moments that mean the most – sharing stories over a cup of tea, enjoying time outdoors or seeing the pride residents take in activities they have helped create.

NEW SEASON

ACTIVITIES & EVENTS

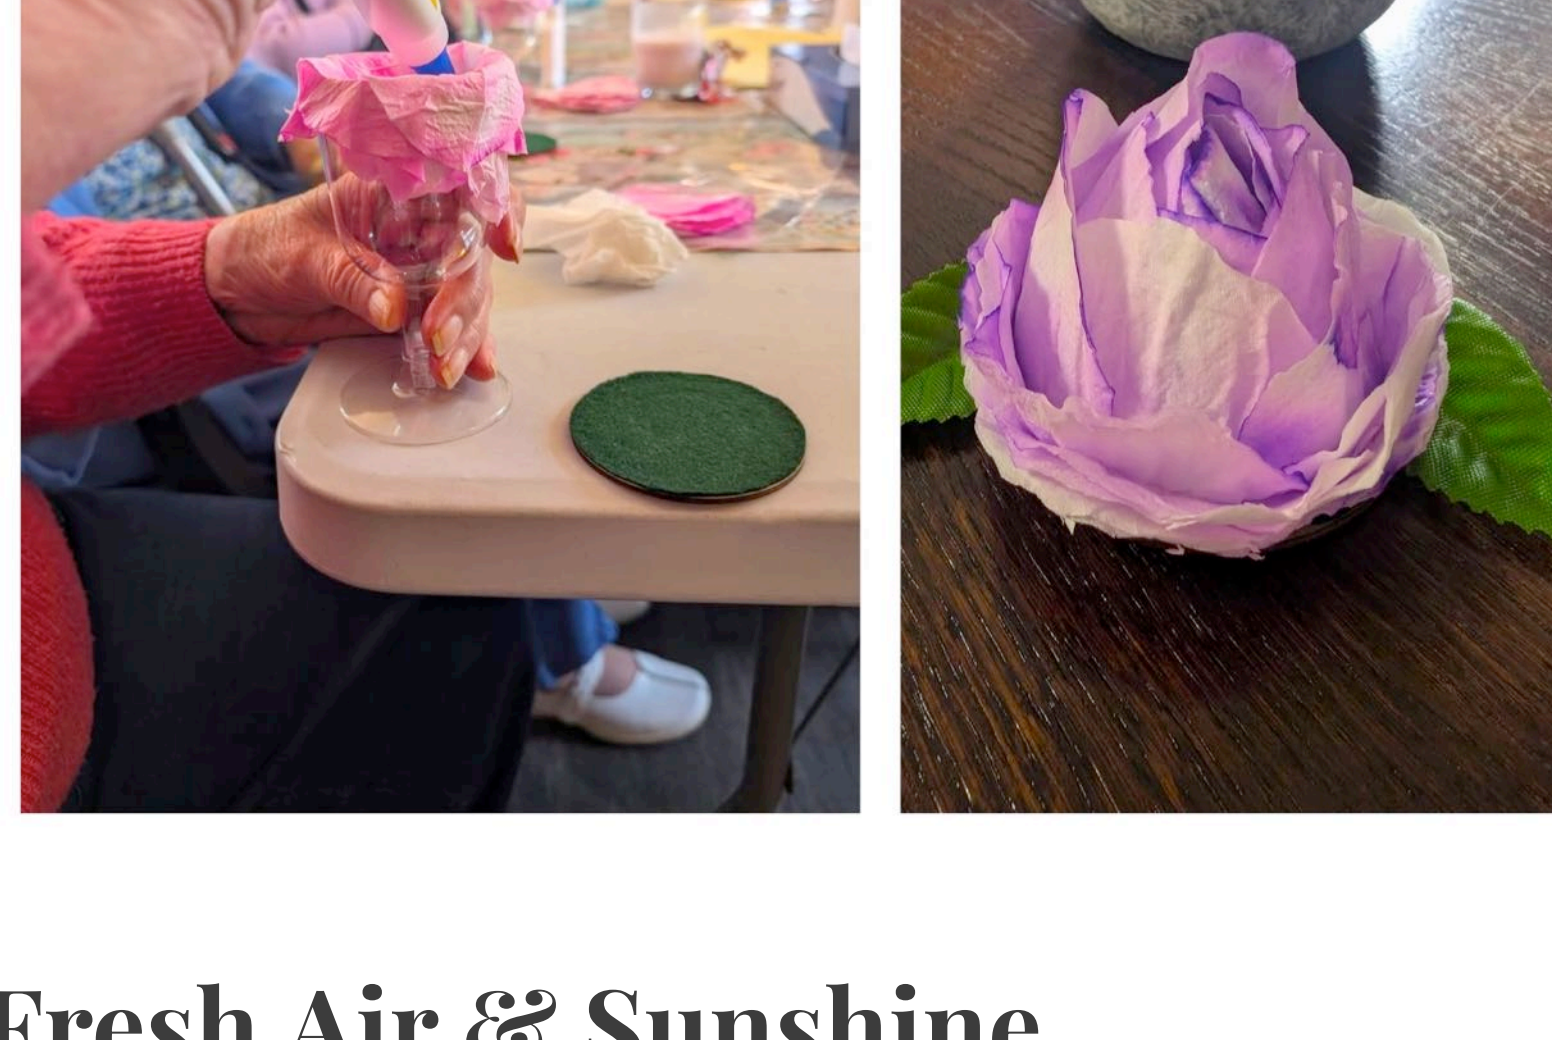

Springtime Crafts & Activities

Spring has brought plenty of creativity and enjoyment to The Hazelwell with a range of seasonal activities for residents to take part in. Residents have been crafting beautiful floral headbands, spending relaxing time outdoors in the fresh spring air, and showing off their decorating skills with delicious biscuit creations. These activities have been a lovely way to celebrate the season, encourage creativity, and enjoy quality time together.

Our residents enjoyed another wonderfully creative afternoon making beautiful tissue paper flowers. With colourful petals, a little glue, and plenty of imagination, everyone got involved in crafting their own unique blooms.

The room was filled with laughter, conversation and a real sense of achievement as each flower began to take shape. It was wonderful to see so many smiles around the table and to admire the finished flowers – each one as unique as the person who made it. A simple activity that brought a lot of joy to the day.

Fresh Air & Sunshine

Here at The Hazelwell, we have so much to offer our residents, yet our south-facing garden, terrace and patio areas remain some of their favourite spots to spend time.

It is a safe and private environment, with natural screening and thoughtful landscaping that provides both sunshine and shelter from the wind, making it an inviting space in all seasons. Many of our activities are hosted outside to encourage residents to get involved, from group sessions to relaxed one-to-one moments.

MUSIC & FITNESS

Musical Entertainment

We would like to say a huge thank you to the talented entertainers who regularly visit us at The Hazelwell and brighten our days with music and song. Recently, residents thoroughly enjoyed joining in with the performances by shaking maracas and moving along to the rhythm of the music.

Staying Active

Staying active is an important part of maintaining both physical and mental wellbeing, and our residents have been enjoying a variety of gentle group exercise and movement sessions here at The Hazelwell. These activities are carefully designed to suit all abilities, helping everyone to keep moving in a fun, safe, and supportive environment. From stretching exercises to light seated movements, the sessions encourage flexibility, coordination, and social interaction.

LOOKING AHEAD...

Coming Up at The Hazelwell

As we look ahead to the coming months, we are excited to continue building on the activities and events that bring enjoyment and connection to daily life at Hazelwell. With summer approaching, residents can look forward to spending even more time outdoors, enjoying seasonal activities, garden gatherings and visits within the local community.

We are also planning a variety of themed events, creative sessions and wellbeing activities designed to encourage participation and bring residents, families and staff together. Our focus remains on creating meaningful experiences, supporting independence and ensuring every resident feels part of the Hazelwell community. We look forward to sharing more special moments with everyone in the next edition of our quarterly newsletter.
